

Weekend Recipe

“Strawberry Cheesecake Pie”

1. Take your pie iron and be sure to rub butter or spray to prevent sticking on the inside of iron.
2. Place a piece of buttered bread, butter side down in the pie iron.
3. Spread strawberries on the slice of bread.
4. Place a dollop of cream cheese on top of berries.
5. Butter a piece of bread and place buttered side up creating the sandwich.
6. Roast in campfire for 1-2 minutes each side.
7. Open and enjoy the tasty treat! Go the extra mile and pick your own berries at one of our local places like Sheldon’s or Heeman’s!
