Petting Zoo: The petting zoo is a great experience for kids of all ages. Nancy has organized a program where you are able to enter the zoo, feed the animals and hold many of them. If you are wanting to participate in this program, you MUST be at the entrance of the petting zoo no later than 2:00pm Saturday or 11:00am on Sunday. The reason for this is that Nancy begins her instructions once everyone is settled and it disrupts her and upsets the animals if people are coming and going throughout. So, if you arrive after 2:00pm Saturday or 11:00am Sunday, please be prepared to visit with the animals from outside the fence. Enjoy your visit with Happy Hills favourite creatures!

Campers Helping Campers Board: In the store you will find a bulletin board where campers are welcome to post their business cards to promote their business. Feel free to look and contact your fellow Happy Hills campers when you are in need!

Sunday Yard Work: A reminder that on Sundays you are not permitted to do any construction or use power tools or lawn mowers. Please respect your neighbours and keep the park peaceful on Sundays.

Garbage and Recycling: Please bring all garbage and recycling down to the dumpsters, do NOT put your garbage in the bins around the park. Please make sure all large items (i.e., mattresses, BBQs etc.) are taken home and NOT left at our dumpsters. We would also appreciate that you break down your boxes to maximize space in our recycle bins.

Pet policy: All dog owners in the park MUST always have their pets on a leash – even when on your site. We have a leash free dog park where your dog can run free but that is the ONLY area where this is permitted. If the dogs are reported off leash, you will be asked to remove your dog from the park. Also please remember to clean up after your dogs! Plastic bags for your dogs waste can be found at the dog parks.

Empty Alcohol Bottles: Alex continues to collect empty alcohol containers at the recycle bins. The money he collects goes back into the park towards events run. A portion of it is also donated to the Embro fire department at the end of the season. If you have any bottles you would like to donate, leave them in the designated bins in the garbage and recycling depot or at site 38 as long as they are in boxes or bags!

***** Just a reminder that alcohol cannot be consumed off your campsite. This means alcohol is strictly prohibited in the store, while you are driving your golf cart, on the Happy Hills Express etc. If you have any questions or concerns regarding this issue, please come to the office. Thank you for your cooperation! *****

Throughout the summer Happy Hills Resort staff take pictures of the various events that take place. We post some of these pictures on the TV in the store, on our website and use them in the calendar.
